### KAWA community news

**60<sup>th</sup> Anniversary of the Korean War Ceremony** was held in Minnesota state capital grounds in St. Paul on June 19<sup>th</sup>. It was hosted by the MN Korean War Veterans Association Chapter #1 and the Korean Association of Minnesota. The event was quite successful due to the joint efforts from the different Korean community organization's volunteers and food donation.

6 KAWA members attended events and served the Korean Foods to the Korean War Veterans during reception along with other Korean group volunteers.

We felt very thankful to the Korean War Veterans and very sad for the POW and the soldiers who lost their life during Korean War. The Korean Association sent us a Thank You E – Mail.
